## **HRODC Automatic Transmission Forklift Trucks**

Forklift Trucks - HRODC Automatic Transmission Forklift Trucks, with Nissan and Mazda Engines. HRODC is pleased to announce it own brand of Automatic Forklift Trucks, with Nissan and Mazda Engines and automatic gearboxes. They have a wide view mast for increased operational safety and efficiency. The operator compartment is wide and free of obstacles, increasing air circulation and facilitating unhindered body movement. Its one-touch removal mechanism of the floorboard, enables service personnel to gain free access to engine and gear box, thereby reducing down-time. The forklift trucks' adjustable steering wheel enhances the operator's comfort. The ergonomic positioning of the automatic (forward-reverse) gear lever is conducive to heightened productivity. The road vehicle style headlights and indicator signal switches give credence to it operational simplicity, aesthetic values and health and safety of the HRODC brand of forklift trucks.
